

Mitzkits Tech Trailblazers Program

Call for Application

Overview

MITzKITS is pleased to announce the launch of the **MITzKITS Tech Trailblazers Program**, a volunteer initiative designed to equip recent Form Six graduates with hands-on experience and exposure to the fields of Science, Technology, Engineering, and Mathematics (STEM). The program offers a unique opportunity to contribute to innovative projects while gaining practical skills that enhance career readiness.

Program Objectives

- To provide recent graduates with early exposure to real-world STEM challenges.
- To foster innovation and technical skills through practical project work.
- To cultivate a community of young leaders and problem-solvers passionate about technology.

Participants will:

- Gain practical experience through involvement in cutting-edge technology projects.
- Receive mentorship and guidance from experienced industry professionals.
- Contribute to meaningful solutions with real-world impact.
- Be awarded a **Certificate of Participation** upon successful completion of the program.

Program Details

- **Eligibility:** Open to recent **Form Six leavers** with a demonstrable interest in technology and innovation.
- **Compensation:** This is a **voluntary** program focused on skill development and professional growth. No monetary compensation will be provided.
- **Duration:** **9th June - 31st October 2025**
- **Location:** Mwamza, Tanzania

Application Process

Interested candidates are invited to submit the following:

1. A copy of their updated CV
2. A brief statement of interest (maximum 250 words) outlining your motivation for joining the program

Application Deadline: 5th June 2025

Submission: <https://www.mitzkits.co.tz/jobs/mitzkits-tech-trailblazers-program-32>

For further information, please contact:

MITzKITS at hr@mitzkits.co.tz or +255 658 648 954

We look forward to welcoming a new cohort of **Tech Trailblazers** eager to learn, innovate, and lead.
